LENA PULETIĆ

Frontend Engineer

github.com/lenapuletic linkedin.com/lena-puletic puleticlena@gmail.com +38165/205-3876

Passionate about building clean, responsive, and user-friendly web applications with an AI-first approach. Specialized in Angular, with a strong commitment to writing maintainable code and delivering seamless user experiences. Dedicated to continuous learning and expanding my skill set.

Technical Skills

- **Frontend:** Angular, React, TypeScript, JavaScript, HTML5, CSS3, SCSS, Tailwind CSS
- **State Management:** NgRx, RxJS
- **Backend Interaction:** RESTful APIs, Swagger
- **Testing:** Vitest, Jest
- **Tools & Version Control:** Git, GitHub, GitLab, TFS, Webpack, npm, Angular CLI, Vite
- **UI/UX Principles:** Responsive Design, Cross-Browser Compatibility, Accessibility
- **Other Skills:** Agile/Scrum, Figma, Node.js

Experience

Frontend Engineer | Grid Dynamics — *August 2025 - Now*

- Working on a FinTech application using Angular 19, TypeScript, and Agile Scrum methodologies
- Implemented a micro-frontend architecture, enabling independent module deployment, improving scalability, and accelerating feature release cycles
- Migrated the application's state management from the traditional NgRx Store to the modern NgRx SignalStore, simplifying the overall codebase and significantly reducing boilerplate code
- Established and enforced code quality standards, performing code reviews and applying clean code principles

Junior Frontend Engineer | Grid Dynamics — *December 2023 - May 2024*

- Developed UI component and worked on bug fixes with focus on performance and reusability
- Integrated RESTful APIs with CRUD functionality, enabling dynamic content updates and improving data handling efficiency
- Applied NgRx concepts for state management and gained practical experience in RxJS for reactive programming
- Maintained >90% test coverage using Jest, ensuring high code reliability

Portfolio Website

https://lenapuletic.github.io/

- Developed a responsive website using JavaScript, HTML and CSS, to showcase my projects, skills, resume, and contact information

Certifications

- **Google Cloud Associate Engineer**
- **Google Cloud Digital Leader**
